

Seed Dispersal

1. Use the video to draw and describe the 4 different ways seeds can travel (*one is done for you*)

Wind	Fruit
<i>Wind blows the dandelion seeds off the plant.</i> 	
Hitchhiking	Water and Animals

2. Go outside with a friend or family member and do a seed scavenger hunt!

Check the box when you find the seed:	
☐	dandelion
☐	acorn
☐	lamb's ear
☐	sumac
☐	cockle burr
